

# 10 BASIC TIPS

## To Prepare for Moving Day

1. Create a checklist to help you stay on track
2. Do your research before hiring movers
  - 🏠 Check their reputation and be sure they are licensed and insured
  - 🏠 Check the Better Business Bureau for ratings and complaints
3. Begin packing in advance – at least 3 to 5 weeks. Give yourself enough time so you're not stressed
4. Use proper packing materials: moving boxes, packing paper, tape, etc
5. Label boxes on the top and sides; Be sure to mark as "FRAGILE"
  - 🏠 Clearly mark each box
6. Read all documentation from the mover; understand their services
  - 🏠 Clarify any questions or concerns you have about the paperwork or contract
7. Budget for moving expenses: know what you are paying for
8. Keep all important documents organized and handy: contracts, leases, and payment
  - 🏠 Don't pack them away, instead keep them in a file with easy access
9. Plan ahead to eat!
  - 🏠 Have water, beverages, and healthy snacks on hand for you and for the movers if you choose to
10. Make yourself available to the movers for the duration of the move and be prepared when they arrive
  - 🏠 Instruct the moving crew which items are going and which items are staying; let them get to work

**Most importantly, don't stress out!**  
**Relax and let our professional movers serve you!**
